

# Your Voice Matters.

We are partnering with 70+ other hospitals across Michigan to improve the safety, equity, and experience of maternity care.

Together, we're launching **OBI Patient Voices**, a survey to learn about your maternity care experience.

**This information will help us improve the way we care for individuals like you!**

**Scan to take the survey!**

## What to Expect:

Scan the QR Code to access the optional survey.

The survey will take 5-7 minutes and ask questions about your birth experience.

After discharge, you may receive an invitation to take an additional survey about your stay. We hope you'll participate!
