

OBI NTSV Case Review Success Story Template

This form is designed for local OBI champion teams to capture and document success stories of your NTSV Case Review process and can be shared with your team.

1. Case Summary

Briefly describe the case, including relevant background and context.

2. Strategy Used

What strategy or intervention was applied? (e.g., shared decision-making huddle, second opinion, updated protocol)

3. Outcome

Describe the outcome of the case. (e.g., vaginal birth, improved documentation, better team communication)

4. Lessons Learned

What insights or takeaways emerged from this case? How might they inform future reviews or practices?

5. Team Members Involved

List the individuals or teams who contributed to the success of this case.
